FIRST CLASS BOXING, WRESTLING CARD HERE JULY 1st

First Fighters in Western Canada to perform in Masonic Hall. Doors open at 6 p.m.

Under the auspices of the Bassano Board of Trade, and running in conjunction with their Stampede and celebration on July 1st, a slam-bang fight and wrestling card is being arranged for fight fans of Bassano and district.

This card promises to be one of the best cards promoted in Bassano for years, and will be a great attraction on the 1st of July. D. L. Down, who is in charge of arrangements, has signed Francis Ronald Beaudin for the main event, and is endeavoring to get a suitable opponent. Tentative opponents for Beaudin will be either Masah Callahan, Johnny Lotus, Gordon Thompson who adds the welterweight championship Western Canada, or Johnny Jettie, who fought to a draw with Thompson, in Edmonton recently on the Western Wrestling card. Johnny Lotus is fighting Thompson in Calgary on July 7th for the championship. Either one of these boys have proven themselves as great drawing cards and with Beaudin as an opponent, a great scrap is in store for the fight fans on July 1st.

Beaudin, who has won Vancouver in his way to Toronto, where he will meet Sammy Littlefinger in a title match for the welterweight championship of Canada. Beaudin has beaten Al Ford twice, won over Truman Kennedy and Powder Proctor recently in Portland. He has beaten Frankie Lembo and Young Corpeo, drew with Eddie MacParran, spotting MacParran 15 pounds when MacParran held the championship. His fought among others, Dave Castillon, leading Canadian lightweight and some of the best lightweights and welterweights on the Pacific Coast. Beaudin has been after Thompson's title for some time, but Thompson has been sidetracking him. He is reported as being a tough, tough boy who can take it and hand it out. A type the fight fans come back to see. The fight fans in action in the Masonic Hall, Bassano, on July 1st.

The Wrestling bout will bring together two well known men of the ring, Darby Melnick and Don Ferguson, both of Calgary. This will be a two-fall, one hour limit bout and will be the semi-final on the card. Ferguson weighs 160 pounds and Melnick 155 pounds. For thrills and action there is nothing like two mid-dleweight wrestlers leaving each other around the middle ropes. One need only attend one of the wrestling matches in Calgary to realize the popularity of the great and rough matches. Even the fact that they are on hand to lend their boots or chaps, whatever the occasion may call for.

In the preliminaries Norman Incevere of Bassano will meet "Doc" Ace Bailey of Gem. These boys have had a dray on the streets, Smith card in Bassano last September. In the curling "raiser" Young Billy Wiley will punch wumps with Walter Laakso. Both these juveniles are sons of Bassano, and are "ready practicing" for their first pling; too the nasty art of fistfists.

This card is set for 6:45 in the eve-

4 Team League Formed in District

A four team baseball league was formed last week, to consist of the senior baseball teams from Rosemary, Gem, Bassano and Maple Lake. The main object of the formation of the league is to assure teams in the district of as many games as possible with teams from nearby centres. A schedule of games, and set of By-Laws, drawn up, are in the hands of the four clubs, and it is expected an executive member representing each team will be appointed before the week ends. The executive will meet and appoint a secretary in the near future. Membership fees of team in the league will be divided by the two top teams, following a playoff series before the close of the baseball season. The proposed schedule reads as follows:

June 18th—Bassano plays at Gem.
June 18th—Rosemary at Maple Lake.
June 25th—Gem at Maple Lake.
June 25th—Bassano at Rosemary.
July 9th—Maple Lake at Gem.
July 9th—Rosemary at Bassano.
July 16th—Bassano at Maple Lake.
July 16th—Gem at Rosemary.
July 23rd—Maple Lake at Bassano.
July 23rd—Rosemary at Gem.
On June 11th, Gem played the league opener in Bassano and won the game by a wide margin.

INTOXICATION CHARGE RESULTS IN THIRTY DAY SENTENCE

Robert Knowles, giving his address as Calgary, was arrested by Const. Ridge, of the R.C.M.P., on June 13th, for being intoxicated on Second Avenue, Bassano. He pleaded guilty of the charge in police court, and falling

ailing of July 1st, and will be held in the Masonic Hall in Bassano. Tickets will be on sale this week and may be purchased from any one of the ticket sellers or from D. L. Down.

Their Majesties at Banff

Their Majesties thoroughly enjoyed their rest from official duties when they visited the Banff Springs Hotel in the heart of the Canadian Rockies at Banff, Alberta. The Royal Party reached Banff on Friday evening, May 26th and remained until Sunday morning, May 28. Both King George and Queen Elizabeth liked and drove over Banff's trails and roads and both expressed their delight and pleasure in the magnificent scenery surrounding the great internationally famous playground. Photographs show Their Majesties chatting with St. Hop. W. L. Mackenzie King on the terrace of the Banff Springs Hotel, and enjoying a view down the Bow River Valley. This terrace overlooks the "Big High Golf Course," with Cascade Mountain in the background.

Well Attended Trade Bd. Mt'g

Hear Plans Outlined For July 1st Celebration.

Secretary's Report Favorable.

A very enthusiastic gathering of Board of Trade members were present at the regular meeting of the organization, held in the Royal Cafe, on Wednesday evening of this week. All appeared to be enthused over the coming Dominion Day celebration, which will be celebrated here by a fitting manner on June 30th and July 1st.

Following luncheon, President W. McLaws opened the meeting in the regular manner, and called for the report of the Secretary. This report revealed that as a result of the May 26th program of entertainment which followed the Royal Visit in Bassano, the Board had considerably increased its permanent assets, and a substantial cash profit had been deposited in the bank. The new assets included a permanent platform at the Sports Grounds, very stationary Carnival booths, and a quantity of decoration material. The members expressed appreciation of the success of the day, and President McLaws extended sincere thanks to M. S. Hutchison, Vice-President, to whom credit for the manner in which the program was carried out was due. Three motions for appropriation of funds, notices of which had been made at the previous meeting, were made and passed.

Mr. Holmes and Mr. Warren reported progress being made with the planting of trees about the town, particularly on the main highway entrances. While this work has not been started as yet, Mr. Warren stated that the trees should be transplanted within the next ten days or two weeks.

The greater portion of discussion was devoted to the coming celebration on July 1st. Wm McLaws outlined very carefully the present plans for the occasion, and named the officers and persons in charge of the various committees, as approved by the executive. He earnestly expressed the desire for co-operation of persons requested to care for certain parts of the day's activities. The program of entertainment is fully explained elsewhere in this issue.

Reports indicate that those who were able to attend thoroughly enjoyed themselves, and look forward to a more successful gathering when the next picnic is to be held.

CONSERVATIVES TO MEET IN MEDICINE HALL

A general meeting of the Conservative Association for the Federal Riding of Medicine Hat will be held in Jimmy's Hall, Medicine Hat, on Wednesday, June 21st, at 2:30 p.m.

The purpose of the meeting is to elect officers for the coming term, and generally to consider all matters to be presented to the meeting. A good representation from all parts of the Constituency is requested.

HUNAR BASKETBALL TEAM WINS OVER BROOKS

The first inter-school basketball game of the season was played on Friday evening at Hussar, between the girls of Hussar school and those of the Brooks school. The Hussar girls were victorious with a score of 38 to 37. Mr. Ray Schoelling was the referee. Mr. Emerson Brown is coach for the Hussar team, and Mr. Albert Fie, coach for the Brooks team. A return game will be played on Friday, June 16th, at Brooks. A large crowd gathered to witness the game, which was exceedingly exciting.

Following is a line-up of the two teams:
Brooks—Judith Dean, Elmer Hubbert, Betty Anderson, Ross Herr, Norma Smith, Florence Patriquin, Margery Slight, Thelma Murphy.
Hussar—Alma Will, Ruth Brown, Judy Duns, Evelyn Gustafson, Lois Schoelling, Olga Will, Ruth Rogers.

WEATHER, ROADS, PREVENT TURNOUT AT PICNIC

Picnic Enjoyed by These Present.

Light Shower of Rain.

When the Grain Buyers of the district met Friday afternoon last, June 9th, for their picnic at the local fair-ground, a rather disappointing crowd turned out, due to inclement weather and poor condition of the rural roads. Starting the day off right, however, the men, who were the Bassano, founded a Bassano school team 9-4 in a softball game.

Those people who had been picnicking in the shade of the trees of the school, rallied round to see the children's races and sports. The feature was the running of the Classic, the Grain Buyers own 16 yard dash.

Reports indicate that those who were able to attend thoroughly enjoyed themselves, and look forward to a more successful gathering when the next picnic is to be held.

JULY 1st LOOKED FORWARD TO AS BIG CELEBRATION DAY

Stampede Events, Carnivals, Races, Baseball, Platform Attractions, Bowling and Wrestling, to Honor Visit Program for Dominion Day Celebration.

TWO EVENING ENTERTAINMENTS

Citizens of this district will celebrate July 1st, the Birthday of Canada, twice this year, as the local Board of Trade, annual sponsors of the local festival, has arranged a big dance and carnival, on June 30th, as well as July 1st.

As July 1st falls on a Saturday, the dance and carnival on that night must start at midnight. Therefore, to start off festivities, a monster dance and carnival will take place on June 30th, commencing at 10 o'clock, and remembering this extra dance.

Since the carnival has been housed in the rink building, the festivities can take place regardless of weather conditions.

The Stampede year will be up to the expectations of the crowd, as Walter Peake has assured the Board that he will have the wilddest horses on hand. As the local rodeo has been gaining prestige these last few years, it is believed some of the top-notchers are routed to the Calgary Stampede will be in attendance. The local events in the rodeo division will be bucking with saddle and bareback as well as calf roping. The always amusing steer riding for boys will be featured. Many of the horses to be brought here by Mr. Peake are to be taken to Calgary for the show in that city.

Arrest track fans will also be pleased to hear that a card of four horse races has been lined up. The free-for-all, relay, barrel and rodeo races should bring plenty of thrills for the crowds. The accommodation of the large crowd expected to be in attendance will adequately be taken care of by the two large grandstands, one of the numerous conveniences of the local sports grounds.

For many years track and field fans have enjoyed watching the young stars going through their paces. This year the special attraction should be the sole vaulting event. Ronnie MacLean, local flash, is out to better his 10 foot 6 inch leap, established at the Strathmore meet.

Now that the Board has its permanent carnival booths on the grounds, all afternoon merry-makings may take their good luck charms and really have plenty of entertainment.

The Board of Trade has spent some time and gone to considerable expense to assure everybody a good time. The popular grandstand attraction should far exceed any previous performances. The Gleichen Boys' Band will be in attendance to play favorite tunes for the crowd in the bleachers.

As an added attraction a regular league game between Gem and Bassano will take place in the afternoon. At their last meeting on Sunday, when the first league game was played, the Gems triumphed 3-0 over the Bassano. This feature should prove interesting. De-

Do You Recall?

TWELVE YEARS AGO
From the Bassano Hall of June 28th, 1927

After five years of careful work, the local sports grounds had been transformed from a site devoid of trees and shrubs into a beauty spot of the town of Bassano. Wm. Ramsay was then caretaker.

Pride today for bucking with saddle at the July 1st Stampede in Bassano was set at 1100, with other prize ranging accordingly.

Local golfers were defeated at Wayne, total score reading, Wayne 51, Bassano 61 points.

A campaign for the cleanup up of the second series of wheat pool contracts was under way in the district. —101—

JACK WALSH LEAVES FOR ENGLAND TO JOIN R.L.F.

Jack Walsh, son of Mr. and Mrs. Richmond Walsh of Bassano, left by train last Friday evening, June 9th, for Ottawa, where he was instructed to report for instruction before sailing for England on June 16th, to join the Royal Air Force.

Jack is well known in the Bassano district, having tended here for a considerable period of time. He was attending the Calgary and Medicine Hat schools, and attended a Technical school in Calgary for a term in Calgary. He became a member of the Calgary Aero Club, where he received instruction in flying, until he secured his private pilot's license last fall. In recent weeks, Jack has been attending in having Dr. Scott's plane at his disposal, and has made several short flights from Bassano to keep in touch with the sensation of handling a ship.

Jack has signed up with the force for six years active flying, and three years serving as a reserve. He is twenty-one years of age.

His many friends and acquaintances in Bassano, and throughout the district, wish him every success in his new enterprise, and "Happy Landings."

terminated not to be left in the league's cellar, the locals will be out to average their previous defeat.

On the evening of July 1st to the rink building, where the Calgary Hillbilly Orchestra will again play for a dance starting at 7 p.m. and lasting until midnight. The hall will be gayly decorated, adding more color to the scene. A large crowd is expected for both the Friday and Saturday night dances, so nobody will want to miss either of them.

The familiar cries of "Bingo," "Try your Luck" and others will who come from the east end of the rink as the carnival gets in full swing. As usual, no charge will be made for the carnival, while the admission fee for the dance has been set at 50c per person.

Admission to the sports grounds are very reasonable for the amount of entertainment. These are, adults 50c and children, 12 to 16 years, 25c.

APOLOGIES TO OUR

ROYAL SOVEREIGNS

Your Majesties:

We, the people of the province of Alberta wish to express again to you our sincere loyalty and love, and to give voice to our thanks for your joyous visit to the capital city of our Province. Many of us travelled many hundreds of miles for the unforgettable pleasure of seeing you in person and to enjoy the charm and grace of your presence in our midst. We might have cheered you more loudly than we did, except that our most punctilious and deep affection for you made us reserve, and if a shocking sensation and tears of joy cut short the waves of cheering at the "moment," you are pardoned, the only evidence of the roaring cheer was but evidence of a heart-felt joy that could no longer be given vocal expression.

As a crowd we endeavored to behave in a manner befitting the presence of our king and his most gracious consort. You may or may not have noticed that our cheering was a complete absence of jostle or indiscreetness in the crowds which lined your way; that there was a pure joy about that forbade any foolish or unseemly action. The depth of our affection we have endeavored to express in our street decorations, by our presence, our cheer and self-effacement which left no room for any thought other than homage to your royal personages. We were so happy that we were able to be present and that you have taken so genuine interest in their welfare, and our children have been benefited immeasurably by having been privileged to enjoy your visit in our midst. Your own love for the innocence of children was so expressed in gracious manner, so much more than ever endeared you to our children's sake.

Yet we of Alberta feel that we owe you our most humble apology for any untoward incidents that may have and did occur. To you, Sir, our Sovereign, we apologize for the action of the head of our government in pushing aside the hand of our celebrated Forty-Ninth Battalion with their patriotic music to be replaced by a "Celtic Chord" band playing the song of a fish market. The "Sidelwinds of New York," though we were pleased that the Highlander, quickly sensed the studied insult thus offered the veterans and disloyalty to yourself of this action, quickly and appropriately stepped into the breach with a stirring Scottish air from the native heart of our gracious queen. Our apologies also for the further insult to our veterans when the head of our government declined to advise you that men who fought in the great war of our empire and nation who saw service in Flanders and Gallipoli were waiting at attention with the wreath for your dedication of this action, quickly and appropriately stepped into the breach with a stirring Scottish air from the native heart of our gracious queen. Our apologies also for the further insult to our veterans when the head of our government declined to advise you that men who fought in the great war of our empire and nation who saw service in Flanders and Gallipoli were waiting at attention with the wreath for your dedication of this action, quickly and appropriately stepped into the breach with a stirring Scottish air from the native heart of our gracious queen. Our apologies also for the further insult to our veterans when the head of our government declined to advise you that men who fought in the great war of our empire and nation who saw service in Flanders and Gallipoli were waiting at attention with the wreath for your dedication of this action, quickly and appropriately stepped into the breach with a stirring Scottish air from the native heart of our gracious queen.

We apologize for the repeated efforts that were made by one individual to thrust himself and his family unwanted into your presence, and who so heartily refused to present the little orphan flower girl by the name of Jean. We again thank you in the name of all little children for your royal welcome to the little girl from the Klondike home, to whom you brought such unbounded joy by your two minute conversation with her. And again we apologize for the number of boys who may have reached your ears from the crowd in the rear of your procession, and hasten to assure you that the joy created by the presence of your Majesty was hardly more intense than the expressed disgust of the crowd when every larger person was noted riding in the fourth car back.

Could we have prevented it the head of our government would never have been allowed to monopolize the red carpet into the majestic chain here laid for the use of Your Majesty, nor have allowed him to place his hand on your back in much the same manner as the manifest and questionable actions of someone emerging too late from a German beer garden.

We apologize also for the severe strain placed on the utmost graciousness of your lovely Queen, consort, by the forwardness of him who endeavor to make your visit a glorification of himself and his family and personal friends, and if when you turned your back to him at the state dinner, that action on your part was intentional, we glory in the fitness of your rebuke, though it was probably lost on the complacent ignorance of him to whom it was directed.

May we assure you again, Your Majesties, that the real spirit of the people of Alberta was reflected most admirably in the dignified respect shown by His Honor our Lieutenant Governor and the gracious charm of his lady, whose presence you so apparently enjoyed from first to last, and in the respectful and unassuming attendance of the prime minister of our dominion, whose manner and deportment was in such happy contrast to those of another whose self aggressiveness at Edmonton will remain as the memory of a nasty piece on an otherwise beautiful countenance.

We sincerely hope that the sins of the past may not be remembered too sharply against us through your memories of our elected representative, whom we have long since disapproved, but whom we have been unable, through his own tricks, to recall from the high office he holds.

—Peace River Record.

LOCAL TENNIS CLUB HOSTS TO BROOKS PLAYERS

In a friendly inter club tennis tournament played on the local courts last Sunday afternoon, June 11th, several players from Brooks throughly enjoyed an afternoon of strenuous sport. Cool weather greeted the contestants of both clubs, and as a result, sets were run off quickly. Bassano captured 21 of the 28 sets.

AWAIT WARM WEATHER TO OPEN SWIMMING POOL

Cool weather due to rain over the period of the past week or ten days has prevented the opening of the local swimming pool. All necessary repair work to the pool and property surrounding it, has been completed for some time, and as soon as the weather becomes mild, the pool will be open to the public.

HUSSAR

Mr. E. J. Bell, member of Calgary on Friday to meet Mrs. Bell who has been in attendance at the meeting of Grand Chapter of the O.E.S. in Edmonton.

On Friday evening after the basketball game, some twenty car loads of friends gathered at the Chris Armstrong home to charter Mr. and Mrs. Leonard Armstrong. Games were played by all, and a dainty lunch was served. It was a very happy occasion.

On Sunday, June 11th, there will be a school children's service in the hall at 3:00 p.m., conducted by Rev. H. E. Gordon of Langdon, under the auspices of the Hussar Ladies Aid.

On Thursday, there will be a card party at the home of Mrs. L. M. Clark at 3:00 p.m. All ladies are cordially invited to attend.

The Public Health Clinic, under the auspices of the Hussar Ladies Aid, with Madeline M. M. Moffat, and H. B. Stitt, assisted by E. J. Bell, as committee, is being held in the hall. Many cars from outside points attend to the large turnout for this branch of the work of the Health Department of the province. Examinations of pupils of the Chancellors and Teachers school on the north, and the schools east, south and west, is included in this district for the occasion.

Good Fall of Rain in District

This has been a banner week for rain. Hussar registered 1.54 inches above Monday of this week. Moisture received is staying in the soil. Gardens and fields alike look beautifully green. The whole country side has taken on a different appearance. North of Hussar, the rainfall was much heavier.

BASSANO BOYS TO BROOKS BASKETBALL TEAM

First Team Organized in Local School for number of years. Playing their first game of organized basketball, the Bassano High School Team dropped a 25-16 decision to a Brooks team here Wednesday afternoon of this week.

Not altogether different from mud wrestling, both teams battled hard, with the eastern quintet piling up a 15-4 score at the half-way mark. The locals looked a basket to bring their winning streaking distance in the third quarter. A last minute rally saw the Brooks boys pull away to be 10 points up at the final bell.

The Brooks team were much more polished around the basket, making most of the chances offered. The teams will again tangle on Saturday at Brooks.

Brooks—Bruce T. Fowler, 4; Chalmers, 4; Robertson, 4; Murray, 4; Cory, 1. Hrdlicka, Pettifor, Hrdlicka, 0. Total 26. Bassano—McLean, 4; Broadfoot, 6; 5; 5. McBride, Smith, Honey, McLaws, Total 16. Referee—A. Pla, Brooks.

PRESNET PLAYS IN CLUX.

Playing before a rather disappointing crowd, the Bassano school players presented the "Wedding" and the "Court Room Scene from the Merchant of Venice" in Clux last Friday.

BUILDERS OF CANADA**EXPLORING for PROFITS**

LIKE the intrepid explorers of those early
days, enterprising Canadian business men
today are seeking and finding new outlets
and new profits in export business. They find
the services of this century-old Bank of value
in advising regarding new connections and,
later, in handling the financial details of ship-
ments. We invite inquiries from those desirous
of extending their trade at home or abroad.

**The Poet's Corner****IF I WERE KING**

(As recited by Ronald Colman in the
Picture, "If I Were King")
If I were King—Ah love, if I were King
What tributary nations would I bring
To stoop before your sceptre and to swear

Allegiance to your lips, and eyes
and hair!
Beneath your feet what treasures
would I fling:
The stars should be your pearls upon
a string.

The world a ruby for your finger ring
And you should have the sun and moon
to wear—
If I were King.

Let these wild dreams and wilder
words take wing,
Deep in the woods I hear a shepherd
sing.

A simple ballad to a sylvan air,
Of love that ever finds your face
more fair.

I could not give you any godlier thing
If I were King!
—By J. H. McCarthy

IF I WERE QUEEN

If I were Queen—Ah Sir, if I were
Queen,
With what despotic daring would I
lean

From throne to cast you into chains
and cell,
Despoiling you of strength you
prove so well.

Hiding you to ponder on your plight
In gloom so dense it were eternal
night—
In such a lowly state and station
mean

Your bonds of pain and passion thus
to tell—
If I were Queen.

Then would I seek you: tender as a
saint,
With gentle words I'd heal your
righteous plaint.

In perfumed water all your bruises
lave,
Then clad in purple, bend my knee
—your slave

And crave your grace to on your king
ship lean—
If I were Queen!
—By Maude DeVerne Newton.

Most departments of the Corps had
improved, but the Captains pointed out
the weaknesses. He told the boys
that they should be very proud of the
Corps.

The platoon was dismissed after
the March Past.

The Corps was under the command
of Cadet Captain R. Christie, Sgt. Bas-
sano, Corporals Broadfoot and
Ingeborg.

As the results will not be known
for some time, the locals are hoping
they won the coveted honor, R. B.
Bennett's shield, which they have
won on the two previous inspections.

**SENTENCED ON
CATTLE THEFT CHARGE**

Ray Zeer, rancher of the Wardlaw
District, was sentenced to two years
less one day in the Lethbridge peni-
tentiary on a charge of cattle stealing, by
Justice Magistrate S. H. Edwards in R.C.
Police Court held at Bassano on
June 12th. Zeer pleaded guilty to
each of two charges of cattle theft
and received the same sentence on
each count, both sentences to run
concurrently. The stolen cattle were
the property of Bruce Ranches Ltd.
The case was investigated by Special
Constable H. T. Allen of the
Criminal Investigation Branch of the
R.C.M.P. at Calgary.

TIME TO CUT HAY.

Thousands of dollars are lost each
month through the seasonal practice
of cutting hay too late in the season.
This is particularly true of prairie
hay or native grasses which mature
early.

It is a well known fact that young
ants are high in protein, while older
plants have a higher percentage of
fiber. The most nutritious hay is cut-
ted from young plants, but the higher
yields are produced by mature crops
in Alberta. The ideal practice is to cut
the hay crop when it is sufficiently
mature to yield well and before it
has passed its prime when the nutri-
tive value begins to fall. The hay is
cut in the early stages of its develop-
ment. This indicates very clearly
that the young plants are higher
in protein content.

In Alberta, clover may be cut
when about 25 per cent of the bloom
has turned brown. Sweet clover should
be cut when the crop is just bloom-
ing. Alfalfa produces very good
hay when roughly 50 per cent of
the crop is in bloom. Timothy and
other grasses should be cut at the
full bloom stage. Hay which is cut
has a higher feed value, but with-
draws the amount of mill feed required
in the ration for horses and cat-
tle.

In some districts early haying may
be possible because of climatic condi-
tions, but the practice of cutting hay
crops at an early date should be en-
couraged in order to obtain the high
cost amount of nutrient in the hay.

MARRIED MEN CHALLENGE SENIOR BASEBALLERS IN GEM

Gem (Special)—A challenge from the married men of Gem Colony has been accepted by the Senior Baseball Club, and a game has been arranged for Sunday afternoon next, June 19th on the Gem Diamond. It is understood that the "hus-beens" have a few tricks hidden up their sleeves, and intend to demonstrate just how capable they are, even after years of inactivity on a diamond, of "swatting the horseshoe out of the lot." A good game, in fact probably the most interesting that will be played in the Colony this season, is in evidence, says Len Standen.

TO RAFFLE CHERSTERFIELD

Word received from Gem Colony reports that the Women's Club of that ambitious little community intend to raffle a Chesterfield Suite at the Gem Stampede, to be held on August 2nd. Tickets on the suite will go on sale early next week.

SECOND SOAKER VISITS DISTRICT DURING WEEK

The second heavy fall of rain in the past two weeks visited the district over the week and added an addition of 2.17 inches of moisture to that received previously. The second rain totalled an amount of rainfall in the neighborhood of 3 and one-half inches for ten days. This is a far greater amount of moisture than has fallen during the month of June for many years.

Crops in all parts of the district are reported to be advancing very favorably. Warm weather was greatly assist the growth at the present time. It was reported last week-end, but it is believed very little damage was done. The fall of hail reported occurred on the Indian reserve and between Countess and Bassano.
